

### **SECURING VALUABLES**

# **STORAGE SECURITY**

SHIELD products and merchandise after hours
 PROTECT equipment and unique items from theft
 SECURE valuable, confidential, and important items

## **SECURE STORAGE SHUTTERS**

#### **OPERATION**

- Minimal size, high-tech extruded aluminum housing
- Spring assist manual or powered operation options available
- Control effortlessly by switch, remote, WI-FI or app
- Safe, long-lasting performance with the latest in motorized technologies
- Maximum security while creating blissful spaces

#### MATERIALS

- A variety of curtain styles and colors for that perfect look
- Gorgeous selection of low maintenance materials, with next
  generation powder coated finishes
- Commercial grade aluminum Environmentally friendly material with positive effects during production and long term operation
- Clamp-on or screw-on options for a clean install and durability
- High strength and durability means your storage is secure and protected at all times

#### SHUTTER CURTAIN STYLES AND SIZING

Pentagon TambourGuardGuard curtain styles are finished in industry leading coatings, and provide options for visibility. Our engineered slats provide enhanced security as well as adding to the visual appeal of your facility.
